The Big Lunch at the WEETC Centre

Over 90 people from all over Willenhall turned up for the Big Lunch at the WEET Centre on 18th July 2010. Residents had a 3 course Sunday dinner and were entertained by Mr Crackers who did Magic around the table. There was also entertainment for the kids and a Bouncy Castle and balloon modelling kept them busy through the lunch time session.

Volunteers from Willenhall Community Forum, Whitefriars Housing and Willenhall Wood Residents Association prepared and served all of the food. The event was opened by Councillor Ram Lakha and Kate Lee from Willenhall Community forum. The whole event was funded by Whitefriars housing and we thank them for their help and support with the whole event.
Binley Little Wood

It is with great regret to hear that Terry Viner has resigned as Vice Chair from the Friends of Binley Little Wood. Terry was a founder member and has dedicated years to caring and restoring the woodland to a place of natural beauty that everyone can enjoy. Terry has been an inspiration not only to members of the Friends of Binley Little Wood but to other friends of groups and to officers at Coventry City Council who can only thank Terry for all the hard work and support he has given to the community at large.

Willenhall Together winner at the Community Cohesion Awards

Fourteen projects from across the private, public, voluntary, community and youth sectors in Coventry came together at the city’s first Community Cohesion Awards on Wednesday 21 July at St. Mary’s Guildhall.

Entertainment was provided by The Bhangra Heads, Sky1’s “Got to Dance” semi-finalists, as well as a rap performance from Coventry’s Sporting Future’s Radford Crew and a short drama from The Belgrade Theatre.

Congratulations goes to Willenhall Community Forum who were the winners in their category (Voluntary Sector Large) for the Willenhall Together Project.

Malling Health Summer Fun Day

Malling Health Surgery in Stoke Aldermoor hosted a fantastic family summer fun day supported by Coventry City Council's Health Development Service and Neighbourhood Management South.

Over 200 people attended the event and took advantage of free health checks, opportunities to meet and find out about health and other service providers such as NHS Breast and Bowel Screening, Patient Advice Service (PALS), Swanswell, Citizen's Advice Bureau and National Energy Action to name but a few.

Hollyoaks star Steven Uppal, a huge bouncy castle, face painting, balloon modelling and West Midlands Fire Service were big crowd pleasers and there was a great fun party atmosphere.

Sarah Paine Health Development Officer for Coventry South who helped organise the event said 'the day was a huge success for the surgery who managed to attract new stall holders who reflect of the providers required to respond to health issues and other needs in the Stoke Aldermoor area and everyone thoroughly enjoyed themselves.

To top the day off Malling Health managed to raise nearly £100 for the local children's centre.

Anti-social behaviour in Quinton Park and Whitley Common

Due to a seasonal increase in Anti-Social Behaviour during the summer period the Cheylesmore Neighbourhood Policing team have increased patrols in and around Quinton Park and Whitley Common. Residents have previously reported underage drinking, rowdiness and graffiti. The team strive to engage with local youths and educate them regarding their behaviour. Any youths identified as being part of a group in this area will be subject to joint visits from local officers, Coventry City Council anti-social behaviour (ASB) caseworkers and/or tenancy enforcement officers from the local housing departments.

Reducing thefts from motor vehicles in and around Daventry Road

The team is using various tactics in order to reduce the number of theft from motor vehicles within the Cheylesmore/Whitley areas. Police Officers and Police Community Support Officers from the team have been asked to identify vulnerable and insecure vehicles. Once these vehicles have been identified an officer will contact owners offering crime prevention advice. Don't be alarmed if you find a notice similar in style to a fixed penalty on your car. It will have be placed there to highlight to you property on view that a would be thief may find attractive to steal.

We continue to target suspected vehicle criminals in the area. Patrols (plain clothed and hi-visibility) have been increased and over 1000 letters have been posted giving crime prevention advice and the team contact details
should you wish to report any crime or suspect activity. Signage has been placed on lampposts where covert cameras are also being used to identify suspects. The team is also working closely with local Neighbourhood Watch Co-ordinators to ensure any local issues are resolved expeditiously. Please get in touch with any snippets of intelligence to help us.

**Burglaries**
The team are committed to ensuring our residents feel safe in their homes. We are actively encouraging Neighbourhood Watch Schemes in all areas of Cheylesmore/Whitley in order to increase community bonding and crime awareness. Please be vigilant and keep your premises secure as a lot of burglaries are committed as a result of homes being left insecure i.e. doors and windows left open. Officers with a community van will be located at Quinton Park every month giving crime prevention advice. Leaflets and ultra violet pens to mark your property will also be available at this location in order to assist in the prevention and detection of crime. Times and dates of the community van can be found on this page. For further advice about how to protect yourself and your home against burglars, please contact the crime reduction officer (PC 3130 WALTERS) or see our website www.west-midlands.Police.uk/saferhomes. The team can also be contacted on our team mobile number 07722820617.
